JB ASHTIN MEDICAL COMMUNICATIONS FELLOWSHIP

JB Ashtin is a medical communications company focused on translating science into actionable clinical practice. Our goal is to help improve the lives of patients through facilitating educational and inspiring interactions with healthcare providers.

FELLOWSHIP OBJECTIVE

To provide a real-world experience for recent advanced degree graduates from life sciences or healthcare profession programs who are exploring a career in medical communication

WHY CHOOSE US?

- Gain business experience by interacting with clients, therapy area experts, and an energetic, experienced internal team
- Participate as part of account teams and collaborate on diverse projects while gaining insights on how pharma works
- Work directly with internal and external stakeholders to create and deliver impactful scientific content
- Continue personal and professional development via mentorship from our executive leadership team

REQUIREMENTS

- Strong interest in medical communications and pharmaceutical industry
- PhD or PharmD
- Interest in writing
- Align with our core values
- Ability to use scientific information and data effectively
- Possess strong interpersonal communication, organizational, and problem-solving skills
- Proficient in Microsoft Word, PowerPoint, Excel, and Outlook
- Ability to work well independently and as part of a team
